5.0 Licensing Policy Considerations	
5.1 The Licensing Objectives	
Members' attention is drawn to the Council's Statement of Licensing Policy, which sets out proposed standards of management and controls that should be in place to promote each of the licensing objectives.	
5.2 Policies that apply to different types of licensed premises	
The Council's Licensing Policy sets out policies, from paragraph 2.66 onwards, that apply to different types of licensed premises for matters to be taken into consideration for Pubs, Bars and Night Clubs, for late night hot food takeaways, for premises licensed for off sales of alcohol and for restaurants and cafes licensed to sell alcohol for consumption on the premises.	
5.3 Imposition of Licensing Conditions	
The Licensing Authority cannot impose blanket conditions, however the Committee can be guided by examples of management conditions given in the Policy at Appendix 7. These conditions are not absolute, and alternative conditions may be specifically worded by the Licensing Authority and attached to licences as appropriate. Specific examples of best practice and wider considerations relating to each Licensing Objective are contained within the Policy. Members are advised to consider these sections when imposing licensing conditions.	

Conditions must only be imposed where it is appropriate to promote one or more of the four the licensing objectives and should be derived from any relevant representations made in respect of the application. The conditions will be focused on matters, which are within the control of individual licensees. The primary focus will be on the direct impact of the activities taking place at the licensed premises on members of the public living, working or engaged in normal activities (including the right to sleep) in the area concerned.

5.4 Licensing Policy Core hours for licensable activities

The Policy outlines, at paragraphs 2.11 onwards, core hours for the provision of late-night refreshment and/or supply of alcohol. The Policy recognises that licensable activities carried on within the core hours set out below will generally not have a harmful impact on the licensing objectives. The core hours are:

Premises for the supply of alcohol on the premises		
	Town Centre Areas (Ealing, Acton, Southall, Hanwell, Greenford)	Local Neighbourhood Areas
Monday - Thursday	10.00 – 23.30	10.00 – 23.00
Friday – Saturday, Bank Holiday Sunday	10.00 – 00.00 (midnight)	10.00 – 23.30
Other Sundays	11.00 – 23.30	11.00 – 23.00
Premises for the supply of alcohol off the premises		
Monday – Thursday	08.00 – 23.30	
Friday – Saturday, Bank Holiday Sunday	10.00 – 00.00 (midnight)	
Other Sundays	11.00 – 23.30	
Premises offering late night refreshment		
Sunday - Thursday	23.00 – 00.00 (midnight)	
Friday – Saturday, Bank Holiday Sunday	23.00 – 01.00	

The Council's Licensing policy states that applications outside the core hours will all be considered on their own merit. The Authority will take the following matters into consideration when making a decision. These are not a definitive list and other matters may be considered:

- Operating schedules - demonstration of compliance with management standards to support each of the licensing objectives.
- Proximity to residential accommodation - the likelihood of the operation to have an adverse impact on the peace and quiet of local residents.
- Potential noise and nuisance from people leaving and entering the premises. Ability to demonstrate that systems in place to ensure timely dispersal of customers away from residential areas.

6.0 Legal implications

A licensing authority must carry out its licensing functions under the Licensing Act 2003 (the Act) with a view to promoting the licensing objectives:

- Prevention of crime and disorder;
- Public safety;
- Prevention of public nuisance; and
- Protection of children from harm.

The Committee must have regard to its Statement of Licensing Policy and the Guidance issued by the Secretary of State pursuant to Section 182 of the Act.

Where the licensing authority rejects an application for a premises licence (either in whole or in part) the applicant may appeal against the decision to a magistrate's court within 21 days of being notified of the decision.	
A person who has made relevant representations may also appeal against a decision to grant a licence either on the basis that the licence ought not to have been granted or on the basis that different or additional conditions should have been imposed, again, within 21 days of being notified of the decision.	
7.0 Human Rights	
In determining the application you should be aware of and take into account any implications that may arise from the Human Rights Act 1998. Under the Human Rights Act it is unlawful for a public authority such as the London Borough of Ealing to act in a manner which is incompatible with the European Convention on Human Rights.	
You are referred specifically to Article 6 (the right to a fair trial), Article 8 (the right to respect for private and family life) and Article 1 of the First Protocol (the protection of property).	
When determining the application and considering the imposition of conditions you should be satisfied that any decision which interferes with the rights of the applicant or of others only does so insofar as it is necessary to protect the rights of others and that no alternative decision would be more appropriate.	
8.0 Background Documents	
<ul style="list-style-type: none"> • Licensing Act 2003 • Guidance issued under s182 of the Licensing Act 2003 • Ealing's Statement of Licensing Policy • Immigration Act 2016: Provisions to prevent illegal working in the alcohol and late-night refreshment sectors.

- Furnished properties that are not used as a main residence (second homes) will receive a discount of zero percent (0%).
- From 1 April 2025 furnished properties that are not used as a main residence (second homes) will be subject to a second home premium of 100%.
The exceptions to this are:-
- Second homes will be eligible to a 50% council tax discount in the following situations:
- The council taxpayer is required to live elsewhere in job-related accommodation because of the terms and conditions of their employment, for example a caretaker, minister of religion or a member of the armed services. Second homes that are occupied because they are convenient for work are not included in this category.
- The second home is a pitch occupied by a caravan or a mooring occupied by a boat.
If you wish to make a claim that you are entitled to a 50% discount on your second home in Westminster please write to the address shown on your bill and the Council will send you a claim form or apply online at www.westminster.gov.uk/counciltax
At the meeting on 24 January 2024 the Council also agreed a localised Council Tax Support scheme. Further details of the scheme are available at www.westminster.gov.uk/benefits
If you make a claim for any discount you will still have to pay the amount as demanded, until such time as a decision on your claim is made.

Representation

This representation is made under 2 of the 4 statutory licensing objectives. Prevention of Crime & Disorder and Prevention of Public Nuisance;

The premises are situated within the Greenford Communities Cluster for which I have responsibility for Licensed Premises. The area already suffers from alcohol related problems with a high density of street drinkers and reports of anti-social behaviour. The borough currently has over 1300 Licences half of which are off licences.

I currently work as a Licensing Compliance & Enforcement Officer within the Licensing Team in Regulatory Services of Ealing Council.

This is an area that has been identified as suffering from alcohol fuelled ASB and the Greenford Safer Communities team over the last five years has seen an increase in complaints from concerned local residents.

The same applicant applied for a new premises licence at the same premises in 2019, days before her brother-in-law shop below had its licence revoked in an attempt to transfer all the business to the at the time newly opened shop knowing what the outcome was likely to be.

His premises which is situated a few doors away in the same street was reviewed and the decision of the sub-committee on 5th June 2019 was to revoke the premises licence after illicit cigarettes and alcohol were found on his premises. At an appeal the sanction was changed and the licence was suspended for 3 months.

His actions of purchasing cheap alcohol and tobacco from persons unknown helps fuel the drunkenness and ASB highlighted by complaints over the past 5 years by providing an outlet where the street drinkers can purchase cans of beer and vodka well below the minimum pricing.

These actions undermine the objectives of the London Borough of Ealing as a Licensing Authority and in the area of public health as the availability of cheap tobacco products not only affects the efforts to encourage residents to give up smoking but also makes smoking more accessible to young people.

It also undermines the taxation and plain packaging objectives to promote smoking cessation.

At the subsequent hearing residents gave evidence that her brother in law had been seen on a regular basis entering the new shop. That application was refused due to concerns raised and the fact that Licensing officers visited a local off licence that is owned and run by Mrs Kumar and her husband at 44 Long Drive Foods, 44 Long Drive UB6 8LZ on 11th June 2019 and in the white van parked directly outside the business they found 102 x 70cl(71.4L) bottles of non-duty paid Polish vodka and 9 x 50cl (4.5L) bottles of non-duty paid Polish vodka.

It has been confirmed that the applicant Mrs Manjit Kumar is the sister in law of that Licensee and this is a blatant attempt to “fool” the Authorities and local residents so that he can carry on his illegal activities from a premises 6 shops along in the same street.

The premises at 257 had been vacant for about 2 years in 2019 so now has been open for nearly 5 years. It was previously a Post Office that served the local community and was not licensed.

It has not been visited by officers since it opened as a convenience store.

By granting a Premises Licence to this applicant will only allow the serving of strong cheap alcohol to persons who have no interest in the local community.

In a 250m radius there are already 7 off licences and it will not have any positive impact on the area especially by an operator who has previously sold illicit Polish vodka at cheap prices.

Therefore, my recommendation is that the application is refused in full as I do not believe that there are any conditions that would allay my concerns and would only have a further negative impact on the area.

Dear Mr Dear

Its been 5 years since the incident at the premises next door, they have learnt their lessons and have had multiple visits to the premises and no issued have been recorded since the incident in 2019. It's rather unfair to keep bringing past incidents up when its nearly 5 years and in that 5 years they have been trading lawfully and without any issues, they learnt the their lesson and have been abiding with regulations correctly and no issues have been reported since 2019, but to keep bringing something up from 5 years its just not fair for a business who is want to work with local community and should be given a opportunity for

business to flourish in the Ealing Borough, by bringing previous history of 5 years ago you are denying business to flourish in the borough. We are open to adding any additional conditions which you think may help the promotion of the licensing objectives.

Kind Regards
