5.1 The Licensing Objectives	
Members' attention is drawn to the Council's Statement of Licensing Policy, which sets out proposed standards of management and controls that should be in place to promote each of the licensing objectives.	
5.2 Policies that apply to different types of licensed premises	
The Council's Licensing Policy sets out policies, from paragraph 2.66 onwards, that apply to different types of licensed premises for matters to be taken into consideration for Pubs, Bars and Night Clubs, for late night hot food takeaways, for premises licensed for off sales of alcohol and for restaurants and cafes licensed to sell alcohol for consumption on the premises.	
5.3 Imposition of Licensing Conditions	
The Licensing Authority cannot impose blanket conditions, however the Committee can be guided by examples of management conditions given in the Policy at Appendix 7. These conditions are not absolute, and alternative conditions may be specifically worded by the Licensing Authority and attached to licences as appropriate. Specific examples of best practice and wider considerations relating to each Licensing Objective are contained within the Policy. Members are advised to consider these sections when imposing licensing conditions.	

Conditions must only be imposed where it is appropriate to promote one or more of the four the licensing objectives and should be derived from any relevant representations made in respect of the application. The conditions will be focused on matters, which are within the control of individual licensees. The primary focus will be on the direct impact of the activities taking place at the licensed premises on members of the public living, working or engaged in normal activities (including the right to sleep) in the area concerned.

5.4 Licensing Policy Core hours for licensable activities

The Policy outlines, at paragraphs 2.11 onwards, core hours for the provision of late-night refreshment and/or supply of alcohol. The Policy recognises that licensable activities carried on within the core hours set out below will generally not have a harmful impact on the licensing objectives. The core hours are:

Premises for the supply of alcohol on the premises		
	Town Centre Areas (Ealing, Acton, Southall, Hanwell, Greenford)	Local Neighbourhood Areas
Monday - Thursday	10.00 – 23.30	10.00 – 23.00
Friday – Saturday, Bank Holiday Sunday	10.00 – 00.00 (midnight)	10.00 – 23.30
Other Sundays	11.00 – 23.30	11.00 – 23.00
Premises for the supply of alcohol off the premises		
Monday – Thursday	08.00 – 23.30	
Friday – Saturday, Bank Holiday Sunday	10.00 – 00.00 (midnight)	
Other Sundays	11.00 – 23.30	
Premises offering late night refreshment		
Sunday - Thursday	23.00 – 00.00 (midnight)	
Friday – Saturday, Bank Holiday Sunday	23.00 – 01.00	

The Council's Licensing policy states that applications outside the core hours will all be considered on their own merit. The Authority will take the following matters into consideration when making a decision. These are not a definitive list and other matters may be considered:

- Operating schedules - demonstration of compliance with management standards to support each of the licensing objectives.
- Proximity to residential accommodation - the likelihood of the operation to have an adverse impact on the peace and quiet of local residents.
- Potential noise and nuisance from people leaving and entering the premises. Ability to demonstrate that systems in place to ensure timely dispersal of customers away from residential areas.

6.0 Legal implications

A licensing authority must carry out its licensing functions under the Licensing Act 2003 (the Act) with a view to promoting the licensing objectives:

- Prevention of crime and disorder;
- Public safety;
- Prevention of public nuisance; and
- Protection of children from harm.

The Committee must have regard to its Statement of Licensing Policy and the Guidance issued by the Secretary of State pursuant to Section 182 of the Act.

Where the licensing authority rejects an application for a premises licence (either in whole or in part) the applicant may appeal against the decision to a magistrate's court within 21 days of being notified of the decision.

<p>A person who has made relevant representations may also appeal against a decision to grant a licence either on the basis that the licence ought not to have been granted or on the basis that different or additional conditions should have been imposed, again, within 21 days of being notified of the decision.</p>	
<p>7.0 Human Rights</p>	
<p>In determining the application you should be aware of and take into account any implications that may arise from the Human Rights Act 1998. Under the Human Rights Act it is unlawful for a public authority such as the London Borough of Ealing to act in a manner which is incompatible with the European Convention on Human Rights.</p>	
<p>You are referred specifically to Article 6 (the right to a fair trial), Article 8 (the right to respect for private and family life) and Article 1 of the First Protocol (the protection of property).</p>	
<p>When determining the application and considering the imposition of conditions you should be satisfied that any decision which interferes with the rights of the applicant or of others only does so insofar as it is necessary to protect the rights of others and that no alternative decision would be more appropriate.</p>	
<p>8.0 Background Documents</p>	
<ul style="list-style-type: none"> • Licensing Act 2003 • Guidance issued under s182 of the Licensing Act 2003 • Ealing's Statement of Licensing Policy • Immigration Act 2016: Provisions to prevent illegal working in the alcohol and late-night refreshment sectors.

Representation

This application is for a new premises licence for HM Food & Wine, 16 King Street, Southall, UB2 4DA.

HM Food & Wine is situated on a busy high street and is located in a Special Policy Area within the London Borough of Ealing.

The Special Policy Area (SPA) was put in place in KING STREET, due to the area being largely affected by crime, anti-social behavior and nuisance, more so than other areas on the borough. The London Ambulance Service also has a high volume of alcohol related calls to this area.

With an SPA in place, the onus is put on the applicant to demonstrate that if the premises is granted a premises licence, that it will not be adding to the existing problems in the area.

The applicant is Mr Satpal Singh VADVA, who has one conviction in 2009 for selling alcohol to a person under 18.

The premises has previously had a premises licence, under the name of Mann Food & Wine which also has a post office. The previous licence holder and designated premises supervisor was Mr Gurjeet Singh Khurana. The licence was revoked by the licensing committee on 15/11/2023 when an application to review the premises was submitted by Trading Standards, after a number large number of unpaid duty products were seized, amounting to the value of £3850.

An appeal was submitted on 5th December 2023, allowing the premises to sell alcohol until the hearing appeal date at Uxbridge Magistrates Court on 7th April 2024. The appeal was withdrawn two days before the hearing on 5th April 2024.

On 15th March 2024, this new premises licence application was submitted.

In the application, the applicant Mr Satpal Singh VADVA has put in the operating schedule of the application *'Mr Gurjeet Singh Khurana shall not have any involvement in the Retail section of the premises (Please see plan) as that is under new management of HM Food and Wine Ltd for a period of 5 years, Mr Gurjeet Singh Khurana will work in the Post Office area as he is the post office manager and postmaster'*.

Due diligence has been carried out by police and Companies House shows that HM Food & Wine Ltd was incorporated on 29th February 2024, with Satpal Singh VADVA as the director. Companies House also shows a company called GHS Properties Ltd and the active directors in this company are the previous premises licence holder Mr Gurjeet Singh Khurana and the applicant Satpal Singh VADVA. They have also both been directors together of another company called GHS Trading limited. Satpal Singh VADVA is still currently a director, Gurjeet Singh Khurana resigned in October 2022.

It is clear from the evidence above that the previous licence holder Gurjeet Singh Khurana and the applicant Satpal Singh VADVA are known to each. The Metropolitan Police believe that they are still in business together and are concerned that the licensing objectives will not be promoted.

Therefore the police object to this application and make our representations to the application, in its current form and object under three of the four licensing objectives.

We reserve the right to draw on any further evidence or information which may come to light.

Representation

This representation is made under two of the statutory licensing objectives - the Prevention of Crime & Disorder and the Prevention of Public Nuisance.

I currently work as a Licensing Compliance & Enforcement Officer within the Licensing Team in Regulatory Services of Ealing Council, a position I have held since September 2016.

The borough has over 1300 premises licence, 48% of which are off licences with the most being in the Southall area.

These premises were previously named Mann Food & Wine which is also a Post Office.

The premises have been licensed since 08 October 2010 and the licence was transferred to Mr Gurjeet Singh Khurana who is also the Designated Premises Supervisor on 14th July 2020

Following a licensing visit, accompanied by an officer from Trading Standards on 14th February 2023 an application was made to review the premises licence on 4 October 2023.

On that visit 198 x 20 packets (3960) cigarettes, 114 x 20 packets (2280) counterfeit cigarettes, 20 x 50g pouch (1kg) RYO tobacco, 1070 prescription and Viagra tablets, 12 x 250g packet (3kg) poppy seed, 120 small Nitrous Oxide canisters, 385 non-complaint vapes, and 472 packets (1.9kg) Indian tobacco were seized.

The unpaid duty on the products amounted to over £3850.00.

On 15/11/2023 following a sub-committee hearing the members made the decision to revoke the licence, a decision that was appealed on 5 December 2023 enabling the premises to trade for a further 5 months. The appeal was then withdrawn 2 days prior to the appeal hearing at Uxbridge Magistrates Court on the 5 April 2024, this new application was submitted on 15th March 2024.

This is an application for a new premises licence in the Special Policy area in Southall, that was adopted due to the data indicating rises in ASB and alcohol related crime & disorder.

Under that Policy that was adopted by the full Licensing committee in July 2020 there is a rebuttable presumption to refuse all new premises applications and

Para 2:12 states “that the policy is intended to be strictly applied, Exceptions must be genuinely exceptional”.

One possible circumstance is “Substitute one premises for another, where the size and location of the second (new) premises and the hours sought are the similar to the previous Premises Licence granted at this site. Also, this will not be a substitution as the premises quite rightly lost its Premises Licence, a decision that were upheld following the withdrawal from the Appeal process.

Para 2:13 “Exceptions unlikely to be made on grounds of”.

That the Premises will be well managed – It is unknown whether the applicant has previously held a Premises / Personal Licence and has ever been a Designated Premises Supervisor (DPS). This is unknown.

There are no dwellings nearby – These premises are situated in a highly residential area with more properties above the commercial units.

1.20 The effect of adopting a Special Policy is to create a rebuttable presumption that applications for the grant or variation of premises licences or club premises certificates which are likely to add to the existing cumulative impact will normally be refused or subject to certain limitations, following relevant representations, unless the applicant can demonstrate in the operating schedule that there will be no negative cumulative impact on one or more of the licensing objectives. Applicants should give consideration to potential cumulative impact issues when setting out the steps they will take to promote the licensing objectives in their application.

The applicant in his operating schedule has submitted “standard conditions” and has considered high Strength beer to the point that beers above 6% abv will not be sold in single cans, but in my opinion, it demonstrates that a large part of his business will be alcohol and he will be able to sell multiple cans of up to 6% abv. Especially as the ABV on the previous licence was 5.5%. The plan shows that alcohol will be the main products and will amount to 50 – 60% of the stock in the shop. He has stated that Gurjeet Singh Khurana involved in the previous premises, will not be involved in the new venture, and only allowed to work in the Post office as he is the Postmaster.

This is a condition offered by the “new buyer” however he will not be able to adhere to it as the named person is in fact the leaseholder who still be allowed in the premises, albeit behind the glass enclosed Post office counter, from which in the review hearing he stated that he had not seen staff bringing in illicit cigarettes and hiding around the shop including in the drawers of the photocopier which is situated 10 feet in front of the P.O Counter. The toilet is situated in the same storeroom where the alcohol is currently stored and where boxes of Hula hoops containing counterfeit cigarettes were located.

There is also nothing stopping the Sub-lease/Management agreement being transferred back to Mr Khurana if a new Licence was to be granted.

1.38 Studies have shown that the number of off- licences in an area is a factor in prevalence of street drinking. Local data shows that there are incidences of alcohol-related crime and ASB occurring in parks and open spaces in the borough in close proximity to off- licence premises.

In a 250 - metre radius of the shop there are currently seven (7) premises permitted for OFF sales.

This means that on most days and particularly after 5pm you can see groups of males drinking strong alcohol in the street, especially near to the temple and on street corners. This just makes the area intimidating especially for lone females and vulnerable people.

There has also been an increase in violent incidents involving drunk males.

The sole director of the company making this application is Satpal Singh Vadva who incorporated the company on 24 February 2024. A further check revealed that this is the fourth appointment as a director of a company and in fact he was a company director with Mr Gurpreet Singh Khurana for over 2 years of GHS Trading Ltd until Mr Khurana resigned in October 2022. Both companies trade in like products.

I visited the premises on Monday 8 April 2024 and after introducing myself stated the purpose of my visit was to check that no alcohol was on display, available for sale or on the premises as it did not have a current authorisation under the Licensing Act and that included checking the storeroom where less than 12 months previously illicit products were found hidden in boxes. When the staff were told they telephoned Mr Khurana.

He stated that he had already sold the business and had been advised that it was ok to store the alcohol in the store. When asked where the new owner was he stated he was on holiday.

Behind the post office counter there was a male and female that I had seen on the 2 occasions serving customers from the Post office counter. In the storeroom that was accessible and near the post office counter a vast stock of alcohol including high strength beer and miniatures was found, both items that the new owner states will not be stocked in his shop as per his offered conditions. These

cans ranged from 5.9 – 8.5% abv. This is the same stock that Mr Khurana stated that was purchased with the new lease. I took 4 Photographs of the beer and Miniatures and now exhibit these as RD 1 – 4.

Further proof of the intent of the “new owner” and the clientele that they are looking to attract.

There is nothing in the application in respect of the experience or previous venues run or owned by the sole person applying for this new licence, however it is known that he is a PLH in the Borough of Hounslow

Therefore, my recommendation is that the application is refused in full as I do not believe that there are any conditions that would allay my concerns and would only have a further negative impact on the area not due to just the number of other off licences in the area but in particular premises that have been known to be non-compliant.
