Purpose of Report:

The purpose of this report is to refer to cabinet the final report and recommendations of the health and adult social services standing scrutiny panel 2022/23.

1. Recommendations

1.1 It is recommended that cabinet

- a) notes the final report of the health and adult social services standing scrutiny panel 2022-23, which is attached as appendix 1
- b) accepts the scrutiny panel's recommendations in section 7 of the final report
- c) identifies whether further information or advice is required from council officers on any of the recommendations before cabinet can take a decision about accepting or rejecting these
- d) directs council officers to produce/or finalise an action plan within an agreed timescale on those recommendations that are agreed by cabinet

2. Reason for decision and options considered

2.1 Scrutiny panels have a role in improving decision-making and service delivery through effective scrutiny. Recommendations from scrutiny panels need to be taken forward in a timely manner and in accordance with the Council's Constitution if the scrutiny function is to be effective. The scrutiny and executive protocol identifies the timescale for cabinet to respond to scrutiny panel recommendations. This decision will mean that the response is made in a timely manner and that services can implement the accepted recommendations.

3. Key implications

3.1 The recommendations of the health and adult social services standing scrutiny panel 2022-23 are provided in a table format in section 7 of the full report of the panel in appendix 1.

3.2 The Council Constitution (Part 2 Article 6.03) gives the overview and scrutiny committee (OSC) power to 'set up individual specialist panels to investigate and report back to OSC ...' Part 4 of the constitution, scrutiny procedure rules (par.10) identifies that OSC prepares a formal report on its recommendations and submits it to cabinet.

3.3 Where appropriate, service officers have identified the financial, legal and any other pertinent implications against each recommendation to enable cabinet to reach a decision.

3.4 OSC will monitor the progress on the implementation of each recommendation agreed by cabinet.

4. Financial implications

4.1 The service officer response, including suggested actions which may have potential financial implications, to each recommendation is provided in section 8 of appendix 1.

4.2 The majority of the recommendations have no financial implications or those that have can be contained within existing service budgets. Where a recommendation involves additional funds then these will have to be contained at present and any further allocation of funds would need to be obtained through the normal budget setting process.

5. Legal

5.1 Where additional legal support is required to implement recommendations, this will be met by the service concerned.

6. Value for money

6.1 The effectiveness of scrutiny is measured by the quality of its recommendations to cabinet and the extent to which it has contributed to both democratic renewal and members' community development role. The scrutiny panel held open public meetings, solicited views through expert witnesses to ensure a regular and sustained input to the work of the panel.

6.2 With respect to scrutiny panel recommendations, value for money implications are outlined in the officer response to each recommendation in the schedule, as appropriate.

- 6.3 If recommendations arising from scrutiny panel are not taken forward and implemented in a timely manner then improvements to service delivery are not being made in an efficient and effective manner.
- 7. Sustainability impact appraisal**
- 7.1 There is none arising directly from this report.
- 8. Risk management**
