Purpose of Report:
The purpose of this report is to refer to Cabinet the final report and recommendations of Scrutiny Panel 2 – 2022/2023: Recovery from the Pandemic

1. Recommendations

- 1.1 It is recommended that Cabinet:
- notes the final report of Scrutiny Panel 2 – 2022/2023: Recovery from the Pandemic, which is attached as **Appendix 1**;
 - accepts the Panel’s recommendations in Section 7.0 of the final report;
 - identifies whether further information or advice is required from service officers on any of the recommendations before Cabinet can take a decision about accepting or rejecting these; and
 - directs service officers to produce/or finalise an action plan within an agreed timescale on those recommendations that are agreed by Cabinet.

2. Reason for decision and options considered

- 2.1 Scrutiny panels have a role in improving decision-making and service delivery through effective scrutiny. Recommendations from scrutiny panels need to be taken forward in a timely manner and in accordance with the Council's constitution if the scrutiny function is to be effective. The Scrutiny and Executive Protocol identifies the timescale for Cabinet to respond to scrutiny panel recommendations. This decision will mean that the response is made in a timely manner and that services can implement the accepted recommendations.

3. Key implications

- 3.1 The recommendations of Scrutiny Panel 2 – 2022/2023: Recovery from the Pandemic are provided in a table format in Section 7.0 of the Panel's final report in Appendix 1.
- 3.2 The Council constitution (Part 2 Article 6.03) gives the OSC power to 'set up individual specialist panels to investigate and report back to OSC ...' Part 4 of the constitution, scrutiny procedure rules (par.10) identifies that OSC prepares a formal report on its recommendations and submits it to Cabinet.
- 3.3 Where appropriate, service officers have identified the financial, legal and any other pertinent implications against each recommendation to enable Cabinet to reach a decision.
- 3.4 OSC will monitor the progress on the implementation of each recommendation agreed by Cabinet.

4. Financial implications

- 4.1 The service officer response, including suggested actions which may have potential financial implications, to each recommendation is provided in Section 7.0 of Appendix 1.
- 4.2 The majority of the recommendations have no financial implications or those that have can be contained within existing service budgets. Where a recommendation involves additional funds then these will have to be contained at present and any further allocation of funds would need to be obtained through the normal budget setting process.

5. Legal

- 5.1 The constitution requires that scrutiny panel recommendations be submitted to OSC for approval prior to submission to Cabinet.
- 5.2 The council has the powers to implement all those recommendations that have been accepted. Detailed legal advice will be provided at the point that they are taken forward for implementation.

6. Value for money

- 6.1 The effectiveness of Scrutiny is measured by the quality of its recommendations to Cabinet and the extent to which it has contributed to both democratic renewal and members' community development role. The scrutiny panel held open meetings in public, solicited views through expert witnesses and media channels to ensure a regular and sustained input to the work of the panel.

- 6.2 With respect to scrutiny panel recommendations, value for money implications are outlined in the officer response to each recommendation in the schedule, as appropriate.
- 6.3 If recommendations arising from scrutiny panels are not taken forward and implemented in a timely manner then improvements to service delivery are not made efficiently.
- 7. Sustainability impact appraisal**
- 7.1 There is none arising directly from this report.
- 8. Risk management**
- 8.1 There are no direct risk management implications arising from this report but the failure to act on agreed recommendations or action plans arising could give rise to risk issues in service delivery.
- 9. Community safety**
- 9.1 There are no direct implications arising from this report but the failure to act on agreed recommendations or action plans arising could give rise to risk issues in service delivery and community safety.
